*Your Business Solutions Provider*

## **Sales Representative - MAS 90/200/500**

Positions are available in San Diego, California.

### **Qualifications:**

- A minimum of 2 years sales or sales support experience with technology products
- A strong knowledge of ERP systems, MAS90/200/500 preferred
- An understanding of financial accounting and information systems
- Strong problem solving, organizational and interpersonal skills
- Excellent communication skills, both written and oral (including group presentations/sales presentations)
- Ability to create and maintain strong client relations
- Self motivated with high integrity
- High level of initiative to contribute ideas while working in a team environment

### **Job Description:**

Your skills will be utilized to prospect for new clients and perform product demos. You will work with clients to evaluate needs to determine if our products will be an effective business solution. The sales process includes beginning research and presentation to closing the deal in an effective and well-managed process.

This is an outstanding opportunity for a highly motivated person who wants to work with a growing team of professional consultants.

If you would like to be considered for either position, please email your resume with a cover letter and salary history to [info@prosolutionsssd.com](mailto:info@prosolutionsssd.com).
